

Circular 2020/004

ISPS Security Code in Libyan waters

Date: 17/06/2020

To whom it may concern,

Belgium has lowered its ISPS Security Code level for BE flagged ships in the waters of the Libyan coast to Security Level 1 (SL1) with immediate effect.

Circular 2019/002, dated 18/12/2019, is hereby withdrawn.

If Belgian flagged vessels are involved in any security incident in the area or notice any disturbing occurrence, they can always notify the Maritime Security Division of the Directorate-general Shipping.
