MARINE SAFETY ADVISORY NO. 40-03

To: Regional Marine Safety Offices, Nautical Inspectors, Masters, Owners/Agents

Subject: RECOGNIZED TRAINING COURSES FOR SHIP AND COMPANY SECURITY OFFICERS (SSOs/CSOs)

Date: 21 November 2003

This supercedes Marine Safety Advisory No. 39-03. Germanischer Lloyd, Indian Register of Shipping, Excellence and Competency Training Center, Inc., MASSA Maritime Academy and International Maritime Security (IMS) have been added to the list of recognized training course providers.

The following training courses and providers have been recognized for the training of Ship and Company Security Officers (SSOs/CSOs) in accordance with the requirements and recommendations of the International Ship and Port Facility Security (ISPS) Code, and SOLAS Amendments 2002. Successful completion of one of these courses, or a comparable course approved by one of the Administration's Recognized Security Organizations (RSOs), will qualify an individual to receive a Special Qualification Certificate (SQC) as a Ship Security Officer.

SQCs for SSOs are not a mandatory requirement, but are intended to assist RSOs and port officials in determining the qualifications and suitability of an individual SSO for the issuance of the International Ship Security Certificate (ISSC) and Declaration of Security (DoS) when necessary in accordance with ISPS Code requirements.
