

e-Certificate authorization from Isle of Man Ship Registry

Many thanks for your message, we have now uploaded all of the relevant certificates into the IMO GISIS site and as such, please accept this e-mail as confirmation that ClassNK may issue electronic certification to Isle of Man registered vessels, on the condition that this is agreed with the operator in advance and we are informed of the vessels to which electronic certification is issued. Please forward any notifications of issue to marine.survey@gov.im

Please confirm receipt of, and agreement with this authorisation to Mr Angus Lamming on angus.lamming@gov.im.

Kind regards

David Morter
Deputy Director, Isle of Man Ship Registry
