

## ClassNK e-Certificate User Manual

Ver. 4.1

# 1. Prior to use

## Registration

- Application is not required to be submitted. The link to the site for viewing/downloading documents will be sent to the e-mail address registered at the application of survey/audit to access the documents immediately after the issuance of certificates.

## Applicable ships / certificates

- This service is applied to ships whose flag states authorize to issue e-Certificates. The authorized flag administrations are shown on the [ClassNK website](#).

Applicable: Classification certificate, Statutory certificates (LL, SOLAS, MARPOL, AFS, BWM, ITC, ISM, ISPS, MLC etc.), Panama/Suez Canal Tonnage certificates and their calculation sheets etc.

Not Applicable: Certificates issued by flag states, attestations etc.

## Timing of service application

e-Certificates are applied to each certificate issued from 30 January 2022 at the occasion of following cases:

1. After completion of initial surveys/audits or renewal surveys/audits
2. When existing paper certificates are rewritten due to changes of descriptions.

Regardless of the above, e-Certificates may be issued with charge as requested. For details, please contact us.

## Cancellation

The service registration is automatically cancelled and paper certificates are issued in the following cases:

- Change of vessel's flag to flag state which is not authorized to issue e-Certificates
- When a request for paper certificates is received in advance

## 2. Issuance of e-Certificates

- After completion of the surveys/audits, attending ClassNK surveyors/auditors will issue e-Certificates and send a "Notification of update of survey documents" containing a hyperlink (URL) to the registered e-mail address. The e-Certificates shall be downloaded via the notification or NK-SHIPS and kept them onboard.
- No need to print e-certificates and keep printed ones onboard.  
However, in the following cases, ClassNK branch offices may hand over printed e-Certificates (here in after called printed version of e-Certificate) after completion of surveys/audits upon request.
  - When a e-Certificate (electronic file) cannot be kept on board before leaving the port.
  - When it is necessary to use the purpose of receiving clearance to enter/leave port, and examinations by Port State Control authorities.

In case of printed version of e-Certificate is to be kept on board under the control and responsibility of the ship, we recommend to print them in color.

### Storage of Declaration Letter

For explanation to Port Authority, PSCO and other third parties, the Declaration letter is available. Please download the Declaration letter which is available from the [ClassNK website](#) and keep it onboard with e-Certificates when necessary.

### 3. Endorsement of e-Certificates

- After completion of periodical surveys/audits, attending ClassNK surveyor will make his/her endorsement (date of survey, place and name of surveyor, etc.) on the endorsement page of e-Certificates on the online server.
- The updated e-Certificates shall be downloaded from the notification of update of survey documents/NK-SHIPS and kept them onboard.

Sample of endorsement information added to e-Certificates

*Endorsement for Annual and Intermediate surveys*

THIS IS TO CERTIFY that, at a survey required by regulation I/10 of the Convention, the ship was found to comply with the relevant requirements of the Convention.

Annual survey:

Place: **Kobe, Japan**

Date: **30 January 2022**

Signed: **N. Kaiji**

## Digital Signature

- e-Certificates are issued with a digital signature. The digital signature certifies that the electronic file has not been tampered with and prevents falsification.
- To view the digital signature correctly, Adobe Acrobat Reader DC or later is recommended. The digital signature can only be viewed when the PDF file is opened on a PC. It does not appear when the file is opened using a mobile device (smartphone, tablet etc.).

## 5. How to confirm the validity of e-Certificates

1. Click e-Certificate Verification on ClassNK webpage.

Or access here (<https://e-certificate.classnk.or.jp/CERF00010.aspx>) directly.

The screenshot shows the ClassNK website home page. At the top, there is a navigation menu with links for HOME, AboutNK, Products & Services, Certification Services, Information Services, and Research. Below the navigation is a banner with a globe and the text "ClassNK provides classification and technical services to roughly 20% of the world's commercial fleet." The main content area is divided into sections: "Search by Topic" (with sub-sections like Introduction, Main Services, Organizations, History, Internal control, Health, Safety & Environment, Services Network, Directory, Common Structural Rules for Bulk Carriers and Oil Tankers(CSR BC & OT), and R&D Activities), "Web Service Portal Login", "MyPage Login", and "Quick Links". The "Quick Links" section includes links for Register of Ships, Rules & Guidance, Technical Information, Management Systems, Certification for Wind Turbine, Port State Control, Ballast Water Management Convention, and e-Certificate Verification. The "e-Certificate Verification" link is highlighted with a red box and a red arrow pointing to it.

2. Enter the vessel's IMO No. and Tracing ID and click Verify.

The first screenshot shows the ClassNK e-Certificate Verification page. It has two input fields: "SHIP / COMPANY (ISM)" and "ME PRODUCT". The "SHIP / COMPANY (ISM)" field is highlighted with a red box. Below the "SHIP / COMPANY (ISM)" field, it says "Class, Statutory Certificate". Below the "ME PRODUCT" field, it says "Material, Equipment, Machinery, etc.". The second screenshot shows the same page with the "Verify" button highlighted with a red box and a red arrow pointing to it. The "Verify" button is a blue button with white text.

\*Tracking ID is shown in the bottom of each page of e-Certificate.

The screenshot shows the bottom of the e-Certificate page. It displays the URL <https://e-certificate.classnk.or.jp/verification.aspx?imo=9756890&tid=92178-21472-31111-00790>. The Tracking ID "92178-21472-31111-00790" is highlighted with a red box and a red arrow pointing to it. To the right of the URL is a QR code.

3. VALID is shown if the e-Certificate is valid.
