He has the honour to refer to the International Code for the Security of Ships and of Port Facilities (ISPS Code) adopted under resolution 1 of the Conference of Contracting Governments to the International Convention for the Safety of Life at Sea, 1974 on 12 December 2002.

The attention of the Secretary-General has been drawn to certain errors in the English text of the Code, which require to be rectified as proposed in the attachment to this note verbale.

If no objection to the proposed correction is notified to the Secretary-General before 5 August 2004, the correction will be effected and Governments concerned will be informed of the modification of the text by means of a procès-verbal of rectification issued by the Secretary-General.
