3. Certificate of Completion
4. Past Results

ClassNK Academy Mission

To meet the growing demands of the shipping & shipbuilding industries, especially

- The difficulty of training new staff
- The need for a “One Stop” service provider – not just class surveys, but also education, training, etc.

Mission:

To help our customer's achieve their business goals and improve business performance by providing high quality training services from the most qualified staff available.

ClassNK Academy Established in 2009
