

Submission of Finished Plans

Amended Rules and Guidance

Rules for the Survey and Construction of Steel Ships Part B

Guidance for the Survey and Construction of Steel Ships Part B

Reason for Amendment

Requirements related to finished plans required to be submitted to the Society for classification surveys are stipulated in 2.1.7, Part B of the Rules for the Survey and Construction of Steel Ships. The Society decided to conduct a review of these requirements in response to requests received from relevant industry members.

As a result of this review, relevant requirements were amended to remove plans, etc. included in the Ship Construction File and the GBS Ship Construction File from the list of finished plans required to be submitted for classification surveys.

Outline of Amendment

Amended requirements related to the finished plans which were required to be submitted for classification surveys.
