

Subject

Special requirements for means of recharging breathing apparatus cylinders and spare cylinders regarding St. Vincent and the Grenadines flagged vessels

ClassNK

Technical Information

No. TEC-1020
Date 23 January 2015

To whom it may concern

With regard to the additional requirements for relevant equipment of fire-fighter's outfit, it had been notified by the Technical Information (No.: TEC-0990, Date: 24 June 2014) for existing ships (ships which are constructed (keel-laid) before 1 July 2014) and by Amendments to Part R of the RULES FOR THE SURVEY AND CONSTRUCTION OF STEEL SHIP on 26 February 2014 for new ships (ships which are constructed (keel-laid) on or after 1 July 2014).

The St. Vincent and the Grenadines Administration has issued special requirements for means of recharging breathing apparatus cylinders and spare cylinders as follows.

- For ships where an on-board means of recharging is not provided, a minimum of one (1) spare cylinder for use during drills is to be provided for each fire-fighting team.
