

Subject

Re-coupling the decoupled IOPP (International Oil Pollution Prevention) Certificate Renewal Survey

ClassNK

Technical Information

No. TEC-1125
Date 28 August 2017

To whom it may concern

Implementation date for Ballast Water Management Systems according to Ballast Water Management Convention is explained in ClassNK Technical Information No. 1116.

Noting the above requirement, some Administrations issued circulars to inform their position on recoupling the IOPP Certificate Renewal Survey, where IOPP renewal survey was completed before 8 September 2014 and its next renewal survey was completed independently from other certificates on or after 8 September 2014.

The above mentioned circulars are available on our website. As we receive other circulars of flag Administrations, they will be uploaded on the same page.
