

Subject

Carriage Requirements for GPS receivers on board the Malta Flag Ships

ClassNK

Technical Information

No. TEC-0471
Date 30 July 2002

To whom it may concern

The Maltese Government has notified the Society of carriage requirements for GPS receivers on board the Malta Flag ships, which is reproduced below for information/action:

The Malta Flag ships constructed on and after 1 July 2002 and to which the Regulation V/19.1.1 of the SOLAS 2000 amendments apply, and those constructed before 1 July 2002 and required to install a navigation receiver not later than the first SE survey after that date in accordance with the Regulation V/19.1.2.2 of the SOLAS 2000 amendments shall install;

- Two independent GPS receivers conforming to performance standards set out in IMO Resolution A.819(19), as amended by resolution MSC.112(73). A GPS receiver installed as an integral part to the onboard GMDSS installation may also be considered as one of the units required.
