

Subject

Additional Requirements for Greek flag GMDSS ships

ClassNK

Technical Information

No. TEC-0579
Date 22 April 2004

To whom it may concern

The Greek government notified ClassNK of requirements for radio equipment of GMDSS ships that are reproduced as follows:

1. Primary batteries of Two-way VHF Radiotelephone Apparatus
Primary batteries should be provided to Two-way VHF Radiotelephone Apparatus irrespective of the installation date of the apparatus. These primary batteries should be kept sealed near the relevant equipment for use in the event of a distress situation.
2. Spare Antenna
For MF or MF/HF radio equipment, a spare wire antenna for transmission should be provided. The spare wire antenna should be prepared so as to be readily installed and used.

For any questions about the above, please contact:
