

Subject

Performance standard for navigation lights, navigation light controllers and associated equipment - Australian registered ships

ClassNK

Technical Information

No. TEC-0793

Date 10 December 2009

To whom it may concern

The Australian Government (AMSA) has noticed ClassNK of the special requirements for navigation lights, navigation light controllers and associated equipment which was adopted by MSC253(83) onboard the Australian registered ships (Marine Order Part30, Issue 8).

AMSA has decided to make the performance standards for navigation lights, navigation light controllers and associated equipment set out in the Annex of Resolution MSC.253(83) mandatory for ships installed on or after 1 December 2009.
