

Subject

Performance standard for navigation lights - Japanese flag ships

# **ClassNK**

## ***Technical Information***

No. TEC-0943

Date 5 February 2013

To whom it may concern

The Japanese Government has informed ClassNK of the application for navigation lights the performance standards of which was adopted by MSC.253(83).

The navigation lights installed on or after 1 January 2014 should be in accordance with MSC.253(83) for the Japanese ships.

This requirement should be also applicable when they are exchanged.

Note: "Installed" means "completion date of the survey for the said navigation equipment".
